The **Tashkent branch of the Russian Chemical-Technological University (RCTU)** has launched the **“Uzkimyosanoat” Cup** tournament among employees of industry enterprises.

Participants are competing in six sports disciplines: **mini-football, table tennis, volleyball, basketball, handball**, and **chess**. More than **200 employee-athletes** from across the country are taking part in the event.

The tournament is dedicated to the **34th anniversary of Uzbekistan's independence** and is being held in line with the Presidential Decree *"On measures to develop team sports and improve the system for selecting talented youth."* The main goals of the tournament are to **promote a healthy lifestyle**, **strengthen corporate culture**, and **enhance team spirit** among employees.

In the coming days, matches in basketball, handball, and men’s volleyball are scheduled. The tournament will conclude on **August 28**.
