Are you interested in projects related to clean energy, energy efficiency, and digital innovations?

Then this is a great opportunity for you!

The Clean Energy Center for the ECO region (CECECO) is organizing the international **CECECO Clean Energy Hackathon 2026**. The hackathon aims to support young people's ideas and initiatives in the fields of clean energy, energy efficiency, and digital innovation.

Required information for application:

- Full name
- Email address and phone number
- Citizenship or country of residence
- A scanned copy of a national ID, passport, or residence permit confirming that the applicant is aged 16–35 and is a citizen or resident of a CECECO member state
- Short biography (up to 150 words)

Prize fund:

- 1st place — USD 3,000
- 2nd place — USD 1,500
- 3rd place — USD 500

The award ceremony will take place on **January 26, 2026**, in **Baku, Republic of Azerbaijan**.

- Travel and accommodation expenses will be fully covered by the organizers.
- All participants will receive international certificates.

Application procedure:

- Deadline: **December 30, 2025**
- Email: secretariat@cec-eco.net
- Telegram: [@davron_uks](https://www.instagram.com/davron_uks)
