The working group of UzKimyoSanoat JSC continues activities aimed at implementing the Presidential Decree of the Republic of Uzbekistan dated 19 September 2025, which calls for conducting a population and agricultural census. As part of this effort, the team carried out a field visit to the Dekhkanabad district of the Kashkadarya region.

During the monitoring, several shortcomings were identified in the registration process. A set of necessary measures has been determined to address these issues.

Additionally, responsible staff members received further recommendations to improve the efficiency of the registration activities and to ensure the accuracy and reliability of the collected data.
