Joriy yilning 7-8-noyabr kunlari Toshkent viloyati Yangiyo'l tumanidagi "Tinchlik" kichik sanoat zonasida Hududiy tarmoqlararo sanoat yarmarkasi bo'lib o'tmoqda. Yarmarkaning asosiy maqsadi yirik tarmoq korxonalariga mahalliy kichik va xususiy biznes korxonalari tomonidan import o'rnini bosuvchi mahsulotlarni yetkazib berishda kooperatsiya aloqalarini tashkil etishdan iborat.

Ushbu yarmarka kimyo sanoati, metallurgiya, elektroenergetika, elektrotexnika, qurilish materiallari, qishloq xo'jaligi texnikalarini ishlab chiqarish sohalariga ixtisoslashgan tarmoq va hududiy korxonalar o'rtasida kooperatsiya aloqalarni yanada mustahkamlash bilan birga, kichik biznes subyektlari uchun ham yanada katta imkoniyatlar eshigini ochadi. Xususan, tadbirda Toshkent viloyatidan - 242 ta korxonalar 1,2 ming turdan ortiq mahsuloti bilan qatnashmoqda.

Ta'kidlash joiz, sanoat yarmarkasida "O'zkimyosanoat" AJ tarmoq korxonalari ham o'z mahsulotlari bilan ishtirok etmoqda.

The image shows an exhibition booth for Uzkimyosanoat. The booth is constructed with a metal frame and features a large blue and white logo on the back wall. The logo consists of a stylized blue flame or drop shape above the company name "Uzkimyosanoat" in a bold, sans-serif font. Below the logo, there are three shelves displaying various samples of products in clear plastic jars. The samples are arranged in rows and include different colors and textures, such as white powders, light brown granules, and darker powders. Two women, likely staff members, are standing in front of the booth. They are wearing dark blue jackets with red accents and lanyards with identification badges. The background shows other exhibition booths and a blue carpeted floor. In the bottom right corner of the booth area, there is a small icon of a building and the text "O'zkimyosanoat" AJ MATBUOT XIZMATI".
